REQUEST FOR DONATIONS IN CASH OR KIND

The Verulam Regional Hospice Association was established in 1997 and since then has provided an invaluable service to the community by providing free quality Palliative Care to patients afflicted with Cancer.

Although the government deems Palliative Care a non-essential service and has stopped all funding many years ago, The Verulam Regional Hospice Association has continued to provide Medical, Psychological and Spiritual support to its patients only because of the unstinting support from business houses and the community at large.

However, the lockdown and adherence to World Health Organisation (WHO) protocols has resulted in all fundraising efforts being thwarted and austerity measures being put in place to ensure that the increasing number of cancer patients are not turned away.

An earnest appeal is thus being made to YOU to make either a cash donation or a donation in kind to allow Verulam Regional Hospice Association to fulfil its mission of providing quality Palliative Care.

Items that could be donated include Future Life and Ensure.

Should you wish to make a direct deposit/EFT into the Verulam Regional Hospice Association account, then kindly take note of the banking details:-
